AGAINST HATE

Conversation Starters

- 1.** How would you describe the most important aspect(s) of your identity and how has that shaped who you are today? (E.g., race, ethnicity, culture, religion, gender/gender identity, sexual orientation, ability/disability, etc.)
- 2.** Describe the first time you remember learning that bias and hate exist in the world.
- 3.** What impact has bias or hate had on you in your life?
- 4.** Describe a time when someone in your community (growing up or today) stood up to hate or bias.
- 5.** How do you think we can make our community or society at large less biased and more equitable?
- 6.** When you see something hateful on social media, what is your response? Do you get involved in trying to change their minds or just block those people? Why?
